Please Note:

- Upon receipt, allow 5-7 business days for processing.
- TransGas can not apply an exemption retroactively in accordance with the *Greenhouse Gas Pollution Pricing Act*. If you have incurred carbon charges and believe you are entitled to a rebate, you must contact the Canada Revenue Agency (CRA) directly.
- Forms received without supporting CRA documentation can not be processed.
- If you have more than 10 facilities, you must complete and submit an additional form.

As an authorized agent of the person(s) certifying the attached CRA Fuel Charge Exemption Certificate(s), I acknowledge and agree that: (1) the information provided is accurate and complete; (2) the use, collection, storage and retention of my personal information, and any other information I provide in relation to this document will be in accordance with TransGas' Privacy Policy and The TransGas Comprehensive Tariff, as applicable; (3) it is my responsibility to notify TransGas of any changes to or errors in the information provided; (4) the company authorizing this form shall be responsible for any fees, charges or penalties that may arise from incorrect or missing information; and (5) TransGas will only notify the contact person noted above regarding this exemption.

Signature _____ Date _____

Submit both your completed form AND the applicable federal documentation by postal mail or email to:
