

TransGas

2017 April 24

On March 30th, Ken From, TransGas' President and CEO announced key organizational changes that will group similar activities together to allow for a more strategic focus and better decision making. A brief summary of the changes are outlined below:

- TransGas Customer Services (Tanya Lang) and TransGas Policies, Rates and Regulation (David Wark) will be combined under Lori Christie (Vice President Customer Services, Gas Supply and Rates);
- Facility Planning (Erwin Heuck) will be added to the existing engineering functions under Derrick Mann (Vice President Engineering, Integrity and Construction);
- TransGas System Planning (Paul Nissen) will report to Randy Greggains (Vice President SaskEnergy and TransGas Operations).

•
TransGas would like to welcome Lori Christie to our TransGas team as our new Vice President.

Lori began her SaskEnergy career at SaskEnergy in 2001, responsible for credit and natural gas market risk management within the Finance department. In 2003, she moved to the Gas Supply department and took a leadership role in SaskEnergy's commodity price risk management and its commodity rate process. As her responsibilities increased to include delivery service rates and applications, Lori served as Executive Director of Gas Supply & Rates. Prior to joining SaskEnergy, Lori was part of the Treasury team at Farm Credit Canada. She also brings many years of experience from the securities industry. In Lori's current role as Vice President, Customer Services, Gas Supply and Rates, she is responsible for the procurement of natural gas supply for customers, gas marketing activities and overseeing customer services for the Distribution and Transmission Utilities. Lori is a Chartered Financial Analyst (CFA) and is a member of the CFA Society of Saskatchewan and the CFA Institute.

If you have any questions, please feel free to contact Tanya Lang at 306-777-9811.
