

2018 February 28,

New Key Account Manager, Alyssa Stoeck

TransGas Customer Services is pleased to announce that Alyssa Stoeck has accepted the position of Key Account Manager (KAM) effective March 12, 2018. Alyssa has a Bachelor of Applied Science in Petroleum Systems Engineering and is working towards completing her Master of Business Administration. She has been working with TransGas since 2011 in Facilities Planning, most recently as Senior Engineer. Alyssa has helped drive our facility planning policies and streamline our facility project processes to provide safe, reliable and responsive solutions to meet our customers' needs. She has worked closely with the Customer Service team to achieve these facility solutions. This experience will make her a great asset to the TransGas Customer Services team. Alyssa replaces Nicole Sali who recently accepted a position as a Commodity Manager with SaskEnergy starting March 19, 2018. Alyssa looks forward to maintaining the great relationships that exist today and bringing her own customer service expertise and enthusiasm to our customers. You can reach Alyssa at 306-777-9501. As always, Wendy Uytterhagen and our Customer Service Administrators are available to assist you during this transition period.

We would like to thank Nicole for her contributions over the past 3 and half years and welcome Alyssa to the Customer Service team.
