

1. Definitions

The uppercase terms used herein shall have the same meanings as are ascribed to the corresponding terms in the Definitions section of the Tariff, unless otherwise defined herein.

2. Description of Service

Subject to the terms and conditions applicable to Storage Service, the Service hereunder shall consist of the ability of a Customer to deliver Gas, from Customer's own Shipper's Imbalance Account at TEP, into Storage, for redelivery into Customer's own Shipper's Imbalance Account at TEP at a later time, in accordance with the applicable terms and conditions. Storage Service is available on both a Firm and an Interruptible Service basis. In addition, Storage Services are available on a "Summer Use" basis. This Storage Service **does not** provide the Customer with any transportation Service rights associated with the movement of the Gas into or out of Customer's own Shipper's Imbalance Account at TEP. Customer must request and contract for any required transportation Service separately.

3. Service Availability

Storage Service is available to a Customer upon the Customer executing a TransGas Service Agreement and a TransGas Contract, identifying the provisions of Storage Services to Customer by TransGas. This Service **does not** provide the Customer with transportation Service to or away from TEP. Customer must request and contract for transportation Service with TransGas separately.

4. Nomination Procedures

All Customers receiving Storage Service are required to comply with the Nomination Procedures set out for Storage Service in the Tariff and the General Business Policies.

5. Term of Service

The term for Firm and Interruptible Storage Service shall be for a one (1) year period, commencing May 01 of the designated year. The term for Firm and Interruptible Storage Service shall have renewal rights as specified in Article 1.5 RENEWAL RIGHTS of the Storage Service Specification Terms and Conditions unless otherwise specified by TransGas.

In the event the Customer requests a non-standard term, being a period less than one (1) year, the term will not Evergreen, but rather, the Customer will be required to

provide TransGas with a written request for renewal of the term at least one hundred twenty (120) Days prior to its expiry, in accordance with the Tariff (see NRR in the Definitions Section of the Tariff).

6. Application for Service

Applications for Service under this Storage Service Specification shall be in a form as TransGas may prescribe from time to time.

7. General Terms and Conditions

The General Terms and Conditions of the Tariff and the provisions of the TransGas Service Agreement for Storage Service are applicable to this Service Specification to the extent that such Terms and Conditions and provisions are not inconsistent with this Service Specification.

8. Service Specification Terms and Conditions (attached)

In addition to the requirements of Clause 7, a Customer receiving Storage Service is required to comply with the attached Terms and Conditions applicable to Storage Service.
