

Nominating Agency Agreement for Transportation and Storage Agreements

Subject to the approval of TransGas, _____ (the "Shipper") requests that _____ (the "Nominating Agent") be appointed to take responsibility on behalf of the Shipper for compliance with Nomination Procedures set out in the TransGas Comprehensive Tariff respecting the services under the Transportation and Storage Agreements outlined below (the "Agreements"). The Nominating Agent will have all the power and authority required to perform all nominating functions necessary in relation to the Agent's authority as set out below on behalf of Shipper. Further, Shipper agrees that TransGas has full authority to deal with the Nominating Agent with respect to all nominating matters relating to the Agent's authority as set out below, as if dealing directly with the Shipper.

Transportation Agreements

More specifically, the Shipper hereby authorizes the Nominating Agent to exercise those rights under the Agreement(s) relating to nominations for transportation of natural gas in accordance with the following particulars:

Type of Transportation Service		
Contract No. *	Rate Code (e.g. R-11)	Description (e.g. Firm Receipt)

Storage Agreements

More specifically, the Shipper hereby authorizes the Nominating Agent to exercise those rights under the Agreement(s) relating to nominations of natural gas for injection, inventory transfers and withdrawal purposes in accordance with the following particulars:

Type of Storage Service		
Contract No. *	Rate Code (e.g. S-90)	Description (e.g. Firm)

** Note that, if a shipper wishes to assign all of its transportation or storage contracts to a Nominating Agent, instead of listing all contracts in the tables above, the Shipper can specify "All Transportation Service Agreements" or "All Storage Service Agreements."*

Notwithstanding this agency appointment, nothing in this authorization shall diminish or relieve the Shipper of the responsibility to ensure compliance with contractual obligations to TransGas pursuant to the Agreements. Shipper hereby agrees to indemnify and save harmless TransGas from any losses, demands, claims, costs or expenses that it may incur or that may arise due to TransGas' reliance upon the Nominating Agent's authority.

The parties further agree that the Nominating Agent accepts full responsibility to comply with requests from TransGas in relation to those matters within the scope of the Agreements' authority, more specifically set out above.

This appointment of Nominating Agent shall be effective _____, and shall remain in effect until the earlier of:

- 1) written notice of termination of the agency appointment is received by TransGas from Shipper;
- 2) written notice is provided by TransGas to Shipper terminating the Agent's appointment due to default; or
- 3) the expiration of the Agreements.

This Nominating Agency Agreement shall be governed by and construed in accordance with the laws of the Province of Saskatchewan. Nothing herein contained shall release Shipper from any of its obligations, agreements, covenants, representations or warranties contained in the applicable Agreements.

In the event the corporate seal of Shipper is not affixed to this agreement, I/we the signatories on behalf of the Shipper, hereby confirm and warrant in favour of TransGas that I/we have authority to execute this agreement on behalf of Shipper.
