

\_\_\_\_\_ (the "Assignee") wishes to take Assignment from \_\_\_\_\_ (the "Assignor") of the following, which is currently described in a storage contract between TransGas Limited ("TransGas") and the Assignor, TransGas Contract No. **as per table** (the "Contract Brief"):

Contract No.	Contracted Capacity (GJ)	Contracted Rate of Withdrawal (GJ/day)	Return Date

The Assignee herein requests that this Assignment will be: (check one)

- (a) Temporary - for the period commencing \_\_\_\_\_ and terminating **as per table** or
- (b) Revocable Temporary - for the period commencing \_\_\_\_\_ and terminating **as per table** or
- (c) Permanent - commencing \_\_\_\_\_ and for the remainder of the Term of the assigned Contracted Capacity and/or Contracted Rate of Withdrawal.

The Assignee understands that, prior to any requested Assignment becoming effective, this request is subject to review and approval by TransGas, in accordance with TransGas' policies and procedures relating to Assignment requests.

In the event that TransGas approves the within request, the Assignee further agrees to be bound by the terms and conditions set out in Appendix A, attached to and forming part of this request.

The Assignee further agrees that by virtue of this request for an Assignment, the Assignee is granting authorization to TransGas that, in the event the within request is approved by TransGas, TransGas has the authority to make any necessary amendments to the Assignee's Storage Contract Brief, or issue a new Storage Contract Brief, if required, in order to achieve the requested Assignment. The Assignee agrees to be bound by the terms and conditions of any such Storage Contract Brief or amendment thereof.

The Assignee further agrees this request is an Assignment Request only and if confirmed accordingly by the Assignor and approved by TransGas, the Assignee will hold the same rights to the assigned Contracted Capacity and/or Contracted Rate of Withdrawal which were held by the Assignor at the Effective Date of the Assignment.

I hereby warrant in favor of TransGas that I have authority to sign this Assignment Request and authorize this Assignment on behalf of the Assignee.

**\*\*Assignments:** An Assignee cannot request an Assignment of Contracted Capacity and/or Contracted Rate of Withdrawal held by virtue of a temporary Assignment.

### Appendix A

- The Assignee agrees to be bound by the terms and conditions applicable to the assigned Capacity and/or Withdrawal, in accordance with the TransGas Comprehensive Tariff's terms and conditions, published in accordance with the provisions of The SaskEnergy Act, 1992, for the duration of the Assignment, and further, the Assignee agrees that it shall execute such further assurances and do all such further acts as may be reasonably necessary for the purpose of effecting the Assignment.
- This Assignor and the Assignee shall be responsible to ensure that, upon approval of this Assignment Request, the required adjustments are made to the Customer's (Assignor's) Inventory in order to accommodate the assigned Contracted Capacity and/or Contracted Rate of Withdrawal. Failure to make any necessary adjustments may result in the imposition of overholding charges.
- In the event a temporary Assignment is selected, and subject to the foregoing, TransGas will first look for performance of the obligations of the terms and conditions of the Storage Contract Brief from the Assignee. However, the Assignor remains ultimately obligated for the observance and performance of the terms and conditions of the Storage Contract Brief, with respect to the assigned Contracted Capacity and/or Contracted Rate of Withdrawal. Further, the Assignor shall remain obligated to post any and all security requirements pursuant to the TransGas Security Policy.
