## **SUMMER USE STORAGE SERVICE OFFERING**

TransGas Limited (TransGas) hereby announces a Binding Open Season for Summer Use storage services. This Open Season is being conducted pursuant to the terms and conditions contained within the [TransGas Comprehensive Tariff](#) and the terms and conditions set out herein. The capacity, term and conditions that apply to this Binding Open Season offering are as shown in the attached offer sheet.

This storage service offering will be contracted under TransGas summer use rate category (S-49), with additional conditions as required to reflect the terms and conditions outlined.

**The Open Season commences at 12:00 p.m. (noon) Saskatchewan time on April 6, 2020 and will close at 4:00 p.m. Saskatchewan time on April 24, 2020.** Interested parties are invited to complete the attached Offer Sheet and return it to TransGas' office by 4:00 p.m. Saskatchewan time on April 24, 2020. TransGas intends to contact interested parties regarding the amount of service allocated to their service request immediately after the close of the Open Season.

If you have any questions or would like to discuss the implications of this Binding Open Season offering for your natural gas transportation portfolio, please contact TransGas at:

SUMMER USE STORAGE SERVICE OFFERING LETTER

## Offer Sheet

### SUMMER USE STORAGE SERVICE

This Binding Open Season is being conducted pursuant to the terms and conditions contained within the TransGas Comprehensive Tariff and the terms and conditions set out herein.

**ELIGIBILITY:** All TransGas Customers  
**EFFECTIVE DATE:** May 1, 2020  
**SERVICE:** Summer Use Storage

- 3.63 PJ of storage capacity (3 630 000 GJs);
- Term of service = May 1, 2020 to April 30, 2021
- S-49 rate Summer Use Interruptible;
- This service does not have any injection rights associated with it; injection would be by injection rights acquired as biddable injection service or excess injection service;
- Transfers into this storage service will be allowed throughout the entire service;
- Withdrawals or transfers from this storage service will not be allowed during the period November 1, 2020 to March 31, 2021
- Inventory must be removed from this storage service storage by the end of the term of service (April 30, 2021)
- This service will have renewal rights of Right of First Refusal meaning it is not subject to evergreening however, the customer is given priority for the renewal of service subject to capacity available (May 1, 2022)

This summer use storage service will be allocated to all parties expressing an interest on a pro rata share basis (each request will be prorated by the ratio of the capacity available divided by the total requested capacity).

Customer responding to this Open Season will not be assigned a queue position. Binding Open Season requests will be considered as official service requests. This offer is conditional only upon TransGas satisfying the storage service quantity identified below.

TransGas intends to contact interested parties regarding the amount of service allocated to their service request immediately after the close of the Open Season. TransGas will enter a Request for Service (RFS) online confirming this service request, which will then be approved shortly after the RFS is submitted.
