

New Key Account Manager

Tanya Lang, Director, TransGas Customer Service is pleased to introduce Adam Tulloch as Key Account Manager.

Adam recently completed his Masters of Business Administration (MBA), and has over seven years of experience working in government, included Farm Credit Corporation, SaskPower and SaskTel. Adam's previous experience includes relationship management with key stakeholders, product and process improvements to move business forward. His education, coupled with his excellent communication skills and prior experience focusing on customer services, will be an asset to the TransGas Customer Service Team.

Adam joins our team effective Wednesday, April 8, 2020.

Our Key Account managers, Adam and Alexis along with the rest of our Customer Services team are happy to support our customers to achieve their business goals!
