

**TO: NIT to TEP Customers
August 21, 2020**

TRANSGAS LIMITED
NIT to TEP Firm and Interruptible Restriction for TransGas System
UPDATE

TransGas is providing you with notice of upcoming outages on the Foothills Pipeline. The restrictions will result in a significant impact to TransGas and our ability to meet NIT to TEP firm contracts. TransGas is working closely with Foothills regarding timing and volumes impacted. During these planned outages, TransGas will attempt to coordinate system outages to avoid future outages in the area.

There has been an update since the last notice sent on August 12, 2020. Changes below are noted in red.

August 17, 2020 – August 23, 2020 Gas Day Crane Lake Sales Lateral Pipeline Maintenance

The Crane Lake Interconnect will be down for seven (7) days. **All NIT to TEP receipt service customers will be restricted to 85% of their firm contracted amounts from August 17th at 09:00 AM to August 24th at 9:00 AM.**

TransGas will communicate any changes as determined.

October 15, 2020 – October 20, 2020 Foothills Pipeline Maintenance (Shaunavon to Monchy)

Potential firm impacts; more accurate and detailed information will be provided closer to the time of this outage.

Please note the percentages given, is based on current estimates from Foothills Pipeline and the potential exists for them to change (higher or lower).

Thank you for your cooperation. TransGas will endeavor to finalize this information and keep you updated. If you have any questions or would like to discuss the implications of these outages please contact TransGas at:
